ASPECTOS ESENCIALES SOBRE LA COMPLEJIDAD MIGRATORIA A CONSIDERAR

Three key considerations for Global Mobility in response to immigration complexity

- 1 Revisit recruitment practices and documentation procedures
- 2 Release and reiterate communications to employees to address flexibility and policy changes that have been adapted due to COVID-19
- 3 Understand the remote working impact (e.g. employees not to begin working remotely until necessary immigration actions have taken place)

Three key opportunities to enable a Digital Workforce experience

- 1 The use of AI for predictive analysis/insight and to elevate worker and team capabilities
- 2 Automation of repetitive, manual tasks in support of the future of work agenda
- 3 Data-driven insights, including ROI of mobility
