

Relocate international hires to Spain with zero hassle

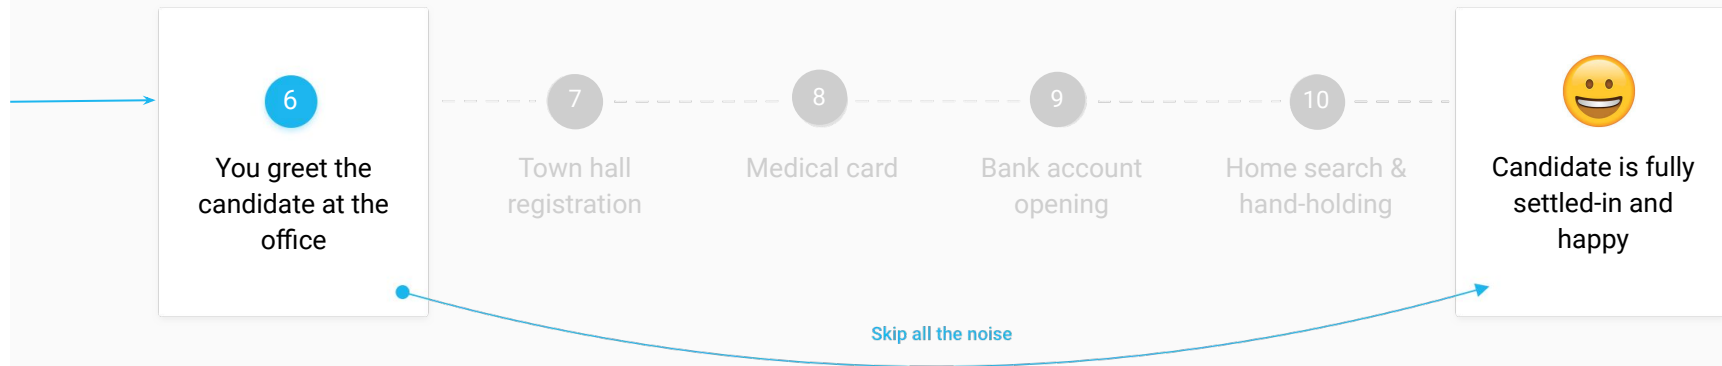

TRUSTED BY THE WORLD'S LEADING COMPANIES

We take care of immigration for you and your team...

... and provide a delightful relocation experience for your new hires (+ family members).

We can help with whatever your new employees or their families might need

**Pick-up at the point
of entry**

**Accommodation
search**

Bank Account

**Support for family
members**

**Health insurance
registration**

...And many more

Europe's fastest-growing relocation tech company can help you win

Provide a delightful experience We know our work reflects on you. Talent rated our service 9.6 out of 10.

Scale as much as you need Our tech allows us to relocate as many hires as you need. No heads up needed.

Attract more candidates 82% said knowing that relocation was done by us would've made their decision to move easier.

Unmatched service HR teams at growth companies like Twilio rate our relocation service "11 out of 10".

Candidates get a delightful experience  

HR Teams from international companies love us

N26

"Clear updates, very responsive, always helpful and professional!"

mindvalley

"Trusted partner and the best experience for our new hires."

pipedriven

"If I would have to put a number behind it, then definitely 10/10."

*"From 2022 we want to have one platform for relocation and after the good experience in Germany **we want Jobbatical to take over of all the locations** where we have branches. **N26 People Operations Partner.**"*

But their hires love us even more ❤️

"Thank you so much for all your help throughout this process, it's been a huge support for me."

N26 Talent.

"I want to express my gratitude for all the help and support you have provided to make this journey super easy for us. Thank you so much from both of us :)."

Chattermill Talent.

"First of all, I really appreciate your company's service. I am really lucky to meet you, thank you so much for your really good guidance and assistance."

Kuehne+Nagel Talent.

"Thank you for your help. It wouldn't be easy without you."

Black Forest Games Talent.
