OUR SERVICES

EXECUTIVE SEARCH

Our consultants have the intuition and years of experience to find and approach the right people for executive positions.

PROFESSIONAL SEARCH

Talented consultants have in-depth knowledge of different industries and the know-how to approach highly qualified candidates.

HR CONSULTING

Talented offers a wide range of human resources consulting services like interim management, assessment centers, diagnostics, auditing, training and development.

CORE INDUSTRIES

The practice areas represent the core industries in which Talentor operates. Each area has developed best practice approaches in their respective fields to deliver whatever our client requests.

The consultants with their depth of operational and search experience allow Talentor to deliver the highest calibre of advice and service to our clients in that industry.

TALENTOR RANKED IN THE HUNT SCANLON GLOBAL 40

Hunt Scanlon Media, one of the most widely referenced, single source for information in the human capital sector conducts each year, the renowned international executive search directory thorough and exhaustive research to list the best recruiting providers worldwide.

In June 2020 and 2021 Talentor International was appointed as one of the top global executive firms, recognizing its extraordinarily personal community and it's high value standards.
