Good morning! How can I assist you with your business travel needs today?

11:30

I would like to know if "Business Class" is in-policy or out of policy?

Cytric Easy AI generated 11:30

Business Class travel is allowed for trips lasting more than 6 hours of direct flying time, regardless of the trip's purpose, as outlined in the Group Travel Policy, Chapter 3.0, Section 3.2.1. However, there are exceptions, such as:

- Domestic US trips, which must remain in Economy Class.
- Training attendance and internal mobility trips are managed according to specific guidelines.
- Event attendance may have stricter travel guidelines defined by the event sponsor.

It's important to note that while Business Class is generally permitted for long-haul trips, specific trip types like HR Mobility Matters and Training have different rules.

For further details, you can refer to the Group Travel Policy documents, particularly Chapter 3.0 and Chapter 2.0. If you have any more questions or need assistance, feel free to ask!

El asistente AI será capaz de responder al empleado dudas al respecto de la política de desplazamientos de la empresa.

- ¿Puedo ir en Business?
- ¿Cuánto me corresponde de dietas?
- ¿¿Puedo usar mi tarjeta corporativa para gastos personales?
- Etc.
