

OUR SPAIN TEAM provides tailored immigration services and strategic guidance to companies and private clients, focusing on each client's unique needs and goals. The team expertly handles all aspects of the immigration process, ensuring compliance with Spanish laws while staying true to our mission: helping people and businesses move across borders to achieve their objectives.

With more than 20 years of experience working with leading companies, the Spain team offers invaluable expertise and support, ensuring clients meet their business goals while navigating the complexities of Spanish immigration.

SPAIN LEADERSHIP

Envoy Global's Spain Practice is led by Director Cristina Lagoma. Cristina holds over 15 years of experiences as a registered lawyer with a diverse background in global mobility and immigration. She's worked at immigration companies, law firms and as an asylum instructor for the Ministry of the Interior's Asylum and Refugee Office. This extensive experience enables Cristina to deeply understand client needs and efficiently navigate the government processes to achieve their objectives. Cristina specializes in navigating complex Spanish immigration laws and provides tailored strategic solutions for Envoy Global's clients.
