

MICHAEL ELIA

CEO, TraQs

We invite our Global Mobility colleagues to join us as we complete our **2026 goals**:

Digital Mobility Solutions

CIRCLE CHAIR

Karen Welch

Global Mobility Lead

Publicis Groupe

- Introduce an overview of the mobility tech landscape supported by metrics about adoption and effectiveness;
- Engage with peers to apply learning and clarify critical strategies to support emerging and established technology;
- Engage with vendors to clarify our needs and influence solutions development

- 🏆 Complexity is rising - 50% Global Mobility programs use six or more solutions
- 🏆 Emerging tech accelerates change – AI adoption reaches 86% (up by 48% year on year)
- 🏆 The digital landscape is expanding rapidly – 21% more solutions and 32% more providers last year alone
